

Company Mission Statement

At Eclipse Hospitality our mission is to manufacture and deliver high-quality and stylish furniture to hotels that enhances the guest experience.

what WE DO

Eclipse Hospitality is an innovative manufacturer of high-quality hotel furniture, offering both brand and custom: casegoods, seating, decorative lighting, stone vanities, lighted & static mirrors, barn doors and shower doors, and other FF&E items.

Founded in 2008 by a team of experienced hoteliers, we understand the unique needs and preferences of the hospitality industry and are committed to delivering superior service and products that exceed our customers' expectations.

What sets us apart is our commitment to exceptional value and unparalleled customer service, which comes from our roots as hoteliers ourselves. Eclipse is also a certified MBE minority owned business enterprise - important for every client that supports small business and supplier diversity.

Our portfolio of completed projects across North America is a testament to our dedication to creating hotel furniture that is both aesthetically pleasing and built to last.

For those boutique and luxury hospitality establishments looking for more personalized services, Eclipse Hospitality's Curated division offers tailored solutions. Our experienced team works closely with ownership and designers to ensure that each project is custom-built to their exact specifications.
